

Today is 6th of March and it means that all men should be getting ready for **International Women's Day**

That is why our LAE Center has prepared the **list** of **Top-presents** you should never buy for International Women's Day in Ukraine. So, let's start...

1. Edible bouquet

Yes, it looks nice but is there any instruction how to eat it?

2. Small Statuette

There is a joke among women if your boyfriend/husband doesn't know what present to buy he will buy you a statuette.

3. Candle

Let's be honest - it is not original.

4. Statuette + Candle

Yes, they are exist. We guess, no comments.

5. Picture Frame

All women have a lot of them from their **childhood**. So, no, please.

What was the best and the worst present you have ever received? Do you **celebrate** International Women's Day in your country ?
